"Dear Mick, Margaret and Sarah, Just a short note to place on record our thanks for an unforgettable experience. As you can probably guess Emma does pray to the festive god and the sight of that enormous Xmas tree blew her away!. Everything about the wedding was perfect. Your staff were very helpful and a very happy bunch. The snow added to the picture postcard effect but your attention to detail, flexibility, and discrete support was a major factor in delivering a first class service."

"Mick, Margaret and your staff went out of your way for us to make sure everything was perfect and we're truly grateful for that. All of our guests had a fabulous time with many saying it was the best wedding EVER! The snow, scenery, and barn made everything feel magical and my parents said they will never forget the look on my face when I first saw the HUGE tree in the barn. I remember clearly just watching everyone as they ate their meals and the atmosphere was perfect, warm and twinkly, the Christmas music sounded perfect too! I would recommend your fabulous barn and all of your lovely staff to anyone in an instant, and I will be!"

"We attended Andrew and Emma's wedding at Heaton House Farm and I felt I had to congratulate you all on a wonderful day. Emma had so wanted a white wedding and it couldn't have been more perfect!

The venue is absolutely lovely and the whole day was relaxed and fun. Your staff were all pleasant and never intrusive but we wanted for nothing all day. From the beautiful wedding ceremony to the band and late supper, what more could a wedding party want?

We have been talking about Heaton House farm to everyone over Christmas and, although we live 200 miles away, we have recommended you to one or two of our friends with wedding plans to make. Thank you so, so much."

"Just a quick note to say a huge thank you. The venue was a stunning setting for our wedding reception and the room looked fantastic. You and your staff were attentive and helpful and did so much to ensure the day ran very smoothly. The organisation and attention to detail was second to none. You certainly made it a fantastic and memorable day for us both. Thank you all once again. Love & Best Wishes"
