Wedding Comments

To all the staff at Pryors Hayes,

We just wanted to say thank you so much (and we know we said it 1,000 times on the day) to all of you for bending over backwards to make our wedding a really, really special day. We looked at all the other venues around at the outset (as you do), but no one else was as flexible or as willing to accommodate our idea of how we wanted our day as you were; that's why we chose you.

We were absolutely thrilled with the way the day went; you managed to make it enjoyable for everyone, from the youngest (1 week old) to the oldest (about 93!). The staff on the day were absolutely brilliant - especially Lyn, who worked so hard and was fantastic. The day was exactly how we hoped it would be and all our guests agreed it was one of the best weddings they had been to - and the first with sumo suits and a bouncy castle! The setting was just perfect, lovely big windows from which to see the sunset and plenty of space made available to us outside as well as in the marquee.

If you want to pass on our number to anyone who's considering having their wedding at Pryors Hayes we will happily give them a glowing report of our experience (and feel free to quote anything we've written here in any adverts, publications etc.). You really made it a fantastically special day for us. Exactly what we wanted!

Can't thank you enough, all our thanks and best wishes,

Howard and Jess

Hi Carrie

In lieu of sending a thank you card (which we still haven't sorted!) I wanted to send you a quick email to say a massive thank you from Phil and I for all your help. Our wedding day was perfect in every way and that's in no small part thanks to you and the staff at Pryors Hayes.

I hope you saw your thanks in the Northwich Guardian this week from my parents. If not and you can't get hold of a copy I can copy one for you. Thanks again for everything.

Jo and Phil

4.6.11 Thank you to all who made our day an extra special. All your hard work is very much appreciated. A big thank you. Karen & John Begley

*20.6.11 I felt I must write to thank all the staff concerned for making my party celebration run so smoothly. There was certainly praise from all my guests for the quality of the food and the friendly service of your staff plus admiration for the fabulous marquee. In other words the attention to details and unstinting help from the staff made the celebrations memorable for everyone and much appreciated.
Mrs Berry*

22.6.11 Thank you for a fabulous evening on Saturday. Feedback has been fantastic with everyone loving the venue, band and food. Look forward to seeing you soon. Lorraine Grinter
