

We had a truly perfect day, all the staff were wonderful and really did look after everybody. It was so relaxed too which I really appreciated which is down to your planning

The Hotel itself is gorgeous and so many guests commented on how beautiful the hotel and surrounding are and what a great time they had.

We couldn't fault anything 10/10!!!!!!

Hi Paula, on behalf of Angharad, Gareth and myself I would like to sincerely thank yourself and your team at The Quay Hotel for all your help, expertise and patience in preparing for the wedding on Saturday, 24th July. I personally cannot thank you enough, as you made everything come together so smoothly! The day was a delight, all due to your hard work and precise organisation. As a family we were shown sensitivity and care throughout the preparations, with nothing being too much trouble. We will always remember the day with great fondness, and will be recommending The Quay as a perfect Wedding venue.

Helen Williams, Wedding July 2010

The staff and service provided by the Quay is faultless! Our special day was tailored from start to finish with very little stress. The Wedding Organiser put us at ease every step of the way, they were professional and made us feel like we were the most important couple in the hotel.

The Quay is most definitely the number one spot for all events in North Wales, it's fresh and friendly

We would recommend the Quay to anyone wanting a Wedding with that little extra something special.
